Johann Strauss, *Unter Donner und Blitz*, Op.324

1.15 h (w/out intermission)

Following the tradition of the major cities of the world, music is in charge of welcoming the New Year. One again the Malaga Philharmonic orchestra complies with this emblematic and musical tradition welcoming 2022 with its conductor and artistic director Jose Maria Moreno. On this occasion, the programme will comprise a selection of pieces from Don Quixote, by Ludwig Minkus, one of the great composers of ballet music, and obligatory pieces of the European repertoire for this annual event.
