On the dry, mysterious Red Planet, Cora, a disoriented astronaut, encounters objects that come to life and tell moving stories of love, indifference and self-discovery. Finally, instead of trying to change her past, she decides to send a message of gratitude and love for each precious moment lived. The red planet is the heart of a donor.

TanTonTería was founded in Malaga in 2017, and since has produced five shows *Gruñidos*, *Tiempos viejos*, *La vida es cuento*, *Bouleverser* and *Cora*, participating with them in events and prestigious festivals such as the Jornadas de Teatro Siglo de Oro of Almería, Corral de Comedias at the Festival of Classics in Alcalá. *Tiempos viejos* won awards for Best Show, Best Direction, Best Actress and Best Actor at the 2019 MálagaCrea de Artes Escénicas.
